

Potential County Calf Scramble Interview Questions

Tell us why you would be a good candidate for the calf scramble?

Tell us about your facilities.

If you are selected to scramble and you are successful in your effort, how will you publicly recognize your donor and others who have helped you to succeed.

Tell us your idea of what a typical day of taking care of your animal would entail?

Do you realize that extra money will most likely be required for you to purchase a heifer?

What types of expenses do you think will be involved with having a heifer as a project?

How do you plan to finance your heifer project?

How will you learn about taking care of your project animal?

How will you share with others your knowledge and skills relating to your heifer project?

Do you understand the long-term commitment which this will involve? i.e. reports, care, exhibition, showing, etc.? Tell us what you understand to be your long-term responsibilities if you are selected and you catch a calf?

If you catch, have you thought about what breed you would like to select and why you would like that specific breed?

What way or ways would you suggest to promote this opportunity so that more kids would want to be involved?

What will you do with your heifer once your scramble obligations are completed?
